**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My provider is a LMI, a competitive, independent ISP. I went to them after being very dissatisfied with ATT whom I left because they gave very poor support. Their prices were high and kept rising. They did not offer the telephone service given by LMI and the cost was far higher. LMI offers me both internet and telephone for less than the cost of ATT's phone service itself.

I support broadband competition and good choices of providers who charge an affordable monthly rate.

Thank you,

Barbara Sargent
